Join us at the NAFE Twin Cities Women’s Leadership Summit for highly engaging and practical sessions that will help you strengthen your leadership skills, and achieve career growth. Learn to Be Real. Learn to Be Resilient.

The opportunities offered throughout the day are interactive, inspiring and tailored to the unique business climate of the Northern Midwest. Attendees will explore what it means to be real and resilient through powerful storytalk workshops, leadership and skill building sessions designed to help you step it up, and keynotes that will motivate you to take it to the next level.
